MEMORANDUM FOR CHAIRMAN, COMIREX

SUBJECT: Pan Photo Coverage from Mission 1112 for Mapping and Charting

Mission 1112 contributed 90% cloud free panoramic photo coverage for 1:250,000 mapping resulting in 65 map sheets released for production. Map sheets are "released" when the accumulated coverage available exceeds the 80% level. Of the 65 sheets released, 37 were inside the Sino Soviet area (primarily China) resulting from 12,000 square statute miles net, and 28 map sheets were outside the Sino Soviet area (primarily Africa) resulting from 29,000 square statute miles net. Total net coverage worldwide was 41,000 square statute miles.
